# “Me?... intimate odour?”

**1** “But Jenny, intimate odour is the most natural thing in the world. Every girl has it sometime or another. Just do something about it.”

**2** “That’s the worst of having a girl like you for a friend. You’re so darned frank!”  
 “But it’s the easiest thing in the world to stop intimate odour. Just use VESPRÉ™ deodorant spray. VESPRÉ makes you feel very comfortable and safe, you know? And it’s made by JOHNSON & JOHNSON.”

**3** “But I shower every morning. How can I possibly have intimate odour?”  
 “Easy. You’re a girl. And you’re living. Just moving around can start it all off. Little tensions, you know. Things like that.”

**4** “And is VESPRÉ that good?”  
 “It certainly is. VESPRÉ is medicated and lots of other deodorants aren’t. Enough said!”
